[Madison, WI] – The Republican Party of Wisconsin released the following statement from Executive Director Mark Jefferson ahead of President Biden's CNN town hall in Milwaukee:

“President Biden pulled a bait and switch on Wisconsinites. After disingenuously calling for unity, his 40+ executive orders prove that he wants to enact a liberal wish list – not work across the aisle. President Biden should only visit Wisconsin if he plans to announce that he is reversing his [job-crushing](#) cancellation of the Keystone pipeline and calling for schools to [follow the science](#) and actually reopen.”
