Madison, WI- The Republican Party of Wisconsin released the following statement from Chairman Andrew Hitt thanking President Trump for his service to our country ahead of the presidential inauguration:

“President Trump’s pro-growth agenda and conservative policies brought about landmark achievements for Wisconsin. Under the President’s leadership, Wisconsin saw tremendous economic growth, historic peace agreements and hundreds of conservative judges appointed to our courts. We commend President Trump for his strong legacy of conservative accomplishments and thank him for his four years of service to our nation.”
