Hi, I'm State Senator Mary Felzkowski of Wisconsin's 12th Senate District. This September I'm excited to celebrate National Library Card Sign-Up Month.

Throughout the school year, librarians and library staff across Wisconsin help parents and caregivers save hundreds of dollars on educational resources and services for students. From free access to STEM programs, educational apps, virtual homework assistance, and technology workshops, to the expertise and knowledge of librarians, a library card is one of the most crucial back to school supplies you can get.

Take some time to stop by your local library and sign up. I can guarantee you won't regret it!
