*Statement by Wisconsin AFL-CIO President Stephanie Bloomingdale on Ron Johnson seeking re-election in November 2022:*

Senator Ron Johnson has turned his back on the people of Wisconsin. Senator Ron Johnson voted against good union jobs by voting against the bipartisan infrastructure deal and by refusing to build our middle class by failing to back the Protecting the Right to Organize (PRO) Act. Senator Johnson has repeatedly failed to support common sense legislation that helps workers, strengthens our middle class, and advances the health, well-being, and stability of our state and nation. The Wisconsin AFL-CIO will mobilize and educate on Senator Johnson's anti-worker, anti-jobs record.
