**MADISON, Wis.** - Americans for Prosperity-Wisconsin (AFP-WI) today announced their endorsement of Adam Jarchow for Attorney General. Jarchow earned the support of AFP-WI for his consistent leadership, steadfast commitment to public safety, and dedication to defending individual liberty against the regulatory state in Washington and Madison.

AFP-WI is proud to throw the full weight of its grassroots strength and resources behind Adam Jarchow to support him ahead of his August 9<sup>th</sup> primary.

## **AFP-WI State Director Eric Bott issued the following statement:**

“Adam Jarchow isn’t afraid to call out bad actors, here in Wisconsin or Washington, and as Attorney General, he will help position the Badger State as an example for others by reining in big government, overhauling bureaucratic overreach, and increasing transparency, so every individual has the opportunity to live their American Dream. Jarchow’s leadership in the Wisconsin State Assembly and unwavering commitment to commonsense criminal justice reforms that enhance public safety and strengthen communities prove he is the right choice for Wisconsin.

“Wisconsinites from every corner can rest assured that he will step up to the plate to safeguard their personal liberties while keeping communities safe. Our activists know Jarchow will continue to fight for Wisconsin and are excited to get out and support him.”
