MADISON — Today, Rep. Katie Porter (CA-45) announced her endorsement of Mandela Barnes in the Democratic Senate primary.

“Rep. Porter is a champion for working families and I am so proud to have her endorsement,” said **Lt. Governor and U.S. Senate candidate Mandela Barnes**. “She has never been afraid to stand up to corporations and special interests. In the Senate, I will be a proud ally to Rep. Porter in the fight for an economy that works for working people.”

“In order for Congress to get off the sidelines and actively address the issues working people face everyday, we need more champions like Mandela fighting for us in the U.S. Senate,” said **Rep. Katie Porter (CA-45)**. “Mandela Barnes knows the struggles of working people because he’s lived them. I look forward to having a partner in Washington who will work with me to bring costs down, create good-paying jobs, and help families get the health care and child care they need. I’m proud to endorse his campaign.”
