MADISON — Today, the January 6th Committee revealed that Ron Johnson attempted to submit a slate of fake electors to former Vice President Pence on January 6th. In response, Lt. Governor Mandela Barnes, candidate for U.S. Senate, released the following statement.

“Ron Johnson actively tried to undermine this democracy. He literally tried to hand Mike Pence fake ballots. Once again, Ron Johnson has proven he’s a danger to our country and our fundamental rights. I’m calling for him to resign immediately.”
