**MADISON** — In response to reports that the Supreme Court intends to overturn *Roe v. Wade*, Lt. Governor Mandela Barnes, candidate for U.S. Senate, released the following statement:

“It has never been more clear why we need to abolish the filibuster and take immediate action to protect every person’s right to make decisions about their own bodies. Republicans have proven they will stop at nothing to strip every individual of their right to an abortion. We must act now.”
