Posted on Tuesday, Oct 25, 2022

Dem Senate candidate Mandela Barnes is out with new ads featuring Barack Obama ahead of the former president's rally in Milwaukee on Saturday.

Barnes' campaign said the spots will run on digital and radio in the Milwaukee area through the end of the election.

In the spot, Obama says control of the Senate is in Wisconsin's hands and touts his endorsement of Barnes.

"Now he's focused on solutions that will make a difference, like making more things here in Wisconsin, cutting taxes for the middle class and protecting a woman's right to choose," Obama says, reminding viewers early voting starts tomorrow and Election Day is Nov. 8.
