Wausau, WI – Today, HER BOLD MOVE has endorsed Gillian Battino for WI State Treasurer, highlighting the importance of electing progressive pro-choice women candidates at this historical moment when the rights of women are under attack. As a mother, women’s health care provider and experienced leader, Gillian understands the importance of the challenges we face and is prepared to bring her leadership, dedication and energy to the Treasurer’s Office.

“It is our honor to support Dr. Battino for Wisconsin State Treasurer. It has been clear from the very beginning of her campaign that she understands the lived realities and concerns of the people of Wisconsin, and is running for office on a mission to diligently address those concerns.

We are confident that she will bring a sense of compassion, understanding, and pragmatism to the position.”

Her Bold Move

“I am honored to receive the endorsement of Her Bold Move. We need more women in places of power across the state. The majority of people living in poverty are women and their children. Women must be at the table to address these issues. I look forward to working with Gov Evers to bring economic security to all Wisconsinites.”
