*BlueGreen Alliance Executive Director Jason Walsh: “Brad Pfaff is a champion for building a clean, prosperous, and equitable future”*

**LA CROSSE** — Today, **State Senator and nominee for Congress Brad Pfaff** announced that the BlueGreen Alliance had endorsed his campaign for Congress.

The BlueGreen Alliance is a national partnership of labor unions and environmental organizations fighting to solve today’s environmental challenges in ways that create and maintain quality jobs and build a clean, thriving, and equitable economy. In their first year of endorsing candidates for Congress, the BlueGreen Alliance is backing Brad’s campaign in recognition of his leadership in creating good-paying union jobs for the clean economy of the future.

“With rising costs and few economic opportunities to help get ahead, it’s critical that working families have a partner in Washington who is focused on delivering good-paying jobs and addressing the climate crisis. With the support of the BlueGreen Alliance, I’ll be the partner in Congress they deserve,” said **Brad Pfaff**. “While my opponent hides his radical record from voters and the media, I’m running to bring western Wisconsin values to Congress and bring results home to Wisconsin. That means bringing union jobs back to Wisconsin and passing solutions to fight the climate crisis that will be both a benefit environmentally but economically as well.”

“The BlueGreen Alliance is proud to endorse Brad Pfaff for Congress,” said **BlueGreen Alliance Executive Director Jason Walsh**. “Our organization is founded on the belief that we don’t have to choose between good jobs and a clean

environment; we can and must have both. Brad Pfaff is a champion for building a clean, prosperous, and equitable future and is the best choice in the race for the 3rd Congressional District in Wisconsin.”

The BlueGreen Alliance is the latest in a long line of supporters — including NSL4A, JDCA, Planned Parenthood, NARAL, WI AFL-CIO, the NewDems Action Fund, United Rural Democrats, and LCV Action Fund — who are lining up to support Brad’s campaign for Congress.
