[Fox Crossing, WI] – Today, the NRA announced their endorsement of Representative Cabral-Guevara in her run for the 19th Senate District.

The NRA was originally formed in 1871 with the goal being to “promote and encourage rifle shooting on a scientific basis,” according to Col. William C. Church, co-founder. There are over 125,000 certified instructors that train about 1,000,000 gun owners per year.

“I am honored to be the only candidate in this race endorsed by America’s largest organization dedicated to protecting the Second Amendment. I will always stand for self-defense and for the right to keep and bear arms,” said Rep. Cabral-Guevara.
