Milwaukee: Citizen Action of Wisconsin applauds the nomination of Rep. Sara Rodriguez to be Wisconsin's next Lt. Governor.

Citizen Action, after a robust endorsement process, endorsed Sara Rodriguez as the best candidate to fill the void that will be left by the departure of Mandela Barnes to run for U.S. Senate. Citizen Action pointed especially to Rodriguez's background in health care as a huge asset to the working people of Wisconsin.

"We believe that Sara Rodriguez, because of her passion for assuring that every one in Wisconsin has access to high quality affordable health care, will be a valuable partner for Governor Evers in his second term," said Robert Kraig, Executive Director of Citizen Action of Wisconsin. "Just as current Lt. Governor Mandela Barnes spearheaded the climate agenda advocated by Governor Evers, we believe Sara Rodriguez can play a similar role in advancing health care reforms that address the access and cost crisis facing working and middle class Wisconsinites."
