MADISON, WI - In-person absentee voting will begin tomorrow, Tuesday, Mar. 22, at several locations throughout the City of Madison.

What will you need to bring with you if you're voting absentee in person? • An acceptable photo ID for voting in Wisconsin.

- If you need to register for the first time or update your registration because of a move or name change, you will need to bring a proof of residence document with you, too.

Because we have dozens of ballot styles citywide, we use the ExpressVote accessible ballot marking device for in-person absentee voting.

Voters who have requested an absentee ballot by mail can return their completed absentee ballot to an in-person absentee voting location during the location's voting hours.

At the end of the voting shift for the day, your absentee ballot will be brought to the Clerk's Office in a courier bag with a tamper-evident seal. The unique serial number on the tamper evident seal is documented on a chain-of-custody form, as is the number of absentee envelopes sealed in the courier bag.

Voting will take place at the locations listed below.
