MADISON, WI – In-person absentee voting will begin Tuesday, Oct. 25, at several locations throughout the City of Madison.

What will you need to bring with you if you're voting absentee in person?

- An acceptable photo ID for voting in Wisconsin.
- If you need to register for the first time or update your registration because of a move or name change, you will need to bring a proof of residence document with you, too.

Because we have dozens of ballot styles citywide, we use the ExpressVote accessible ballot-marking device for in-person absentee voting.

Voters who have requested an absentee ballot by mail can return their completed absentee ballot to an in-person absentee voting location during the location's voting hours.

At the end of the voting shift for the day, your absentee ballot will be brought to the Clerk's Office in a courier bag with a tamper-evident seal. The unique serial number on the tamper-evident seal is documented on a chain-of-custody form, as is the number of absentee envelopes sealed in the courier bag.

Voting will take place at the locations listed below.
