**EAU CLAIRE, Wisc.** – Today, small business owner and nonprofit leader Rebecca Cooke released the following statement regarding the primary results in Wisconsin's Third District:

*From the bottom of my heart, I want to thank everyone who supported me in my campaign. Although we came up short, we built an incredible infrastructure across 19 counties, earned support from organized labor, small businesses, and community leaders, and elevated the importance of electing more working-class voices to Congress. Please join me in congratulating Brad Pfaff, who I urge us all to coalesce around for the November General Election. Too much is at stake to lose this seat! I am committed to doing everything I can to defeat Derrick Van Orden come November 8, 2022.*
