MADISON, Wis. – Stoney Acres Farm in Athens, Wis., is issuing a voluntary Class I recall of frozen pizzas sold at retail stores. This includes products purchased on or after Oct. 11, 2022 and the following products:

- Sauce Squash frozen pizza, includes mark of inspection with establishment No. 583
- Ramona the Pesto frozen pizza, includes mark of inspection with establishment No. 583
- Gluten-free Sauce Squash frozen pizza
- Gluten-free Ramona the Pesto frozen pizza

The Sauce Squash and Ramona the Pesto frozen pizzas were sold from Downtown Grocery (Wausau, Wis.), Sawmill Brewing (Merrill, Wis.), and Golden Harvest (Merrill, Wis.). The gluten-free frozen pizza products were sold at retail at Stoney Acres Farm.

This is a Class I recall, initiated based on evidence collected during a routine inspection by state inspectors. Evidence shows that the products were misbranded and produced without the benefit of inspection. More information on the U.S. Department of Agriculture (USDA) recall classifications is available below and on USDA's website at [www.fsis.usda.gov](http://www.fsis.usda.gov).

No illnesses have been reported as a result of consuming these products. Anyone

with signs or symptoms of a foodborne illness should contact their doctor. Consumers who have these products can discard them. Consumers and media with questions about this recall can contact Tony Schultz, Stoney Acres Farm, at (715) 432-6285.

### **USDA Recall Classifications**

- Class I This is a health hazard situation where there is a reasonable probability that the use of the product will cause serious, adverse health consequences or death.
- Class II This is a health hazard situation where there is a remote probability of adverse health consequences from the use of the product.
- Class III This is a situation where use of the product will not cause adverse health consequences.
