MADISON, Wis. – The Wisconsin Department of Natural Resources (DNR) reminds eligible disabled hunters hoping to participate in [the 2022 gun deer hunt for hunters with disabilities](#) to contact and confirm their hunting location with a hunt sponsor before Sept. 1, 2022.

Sponsors have enrolled nearly 70,000 acres of land across 40 counties for this year's hunt taking place Oct. 1-9, 2022. [To participate in the 2022 hunt, hunters should contact sponsors directly](#). Some properties can accommodate more hunters than others, so hunters are advised to contact potential sponsors as early as possible to determine availability.

"Since 1992, Wisconsin's dedicated gun deer hunt for hunters with disabilities provides opportunities to pursue whitetails regardless of any special challenges a hunter may face," said Ally Magnin, DNR Assistant Deer and Elk Specialist. "This unique hunt pairs interested hunters with landowner sponsors who generously open their properties for the October hunt."

Eligible hunters may sign up for one sponsored property per year and must possess a gun deer license.

Hunters or assistants should contact sponsors directly to sign up for a hunt and provide their name, contact information and DNR customer ID number. To be eligible, hunters must possess a valid Class A, C or D disabled permit or qualifying

Class B permit.

Wisconsin's outdoors are for everyone. The Wisconsin DNR is committed to providing various hunting, fishing and recreational permits and unique opportunities designed to help give people with disabilities the opportunity to partake in Wisconsin's abundant natural resources.
