

Dept. of Natural Resources: To co-host Waterfowl Hunters Expo

Posted on Wednesday, Jun 22, 2022

MADISON, Wis. – The Wisconsin Department of Natural Resources (DNR) and waterfowl conservation organizations will again co-host the Waterfowl Hunters Expo on Aug. 27, 2022 at the Sunnyview Expo Center in Oshkosh.

This outdoor, family- and dog-friendly Expo will allow hunters to engage with the latest experts and technologies ahead of the Wisconsin migratory bird seasons. Wisconsin is a great waterfowl hunting state, thanks partly to hunters' enthusiasm and dedication to the sport. The public is invited to join in a day of exhibits, competition, hands-on learning and all things waterfowl season in Wisconsin.

The Waterfowl Expo's one-of-a-kind experience will feature the 2022 Wisconsin Duck and Goose Calling Championships, a fastest-retriever contest, judging for the 2023 waterfowl stamp contest and a chance for hunters to showcase their rigs. In addition, the Expo will include hands-on exhibits and booths from industry experts, habitat managers and waterfowl scientists.

The Waterfowl Expo is also the new home of the state [Waterfowl, Turkey and Pheasant stamp competition](#), an event that helps hunters, conservationists and stamp collectors to support wildlife and habitat management, restoration and conservation around the state.
