BARABOO, Wis. – Due to incoming inclement weather, all Earth Day events scheduled for Friday, April 22, at Devil's Lake State Park are canceled.

[Check out our events calendar for other Earth Day events around the state throughout the remainder of the month.](#)

Earth Day was founded in 1970 by Wisconsin native Gov. Gaylord Nelson to raise awareness about air and water pollution. Today Earth Day is observed around the globe.

We at the Wisconsin Department of Natural Resources thank you for your understanding and apologize for any inconvenience.
