In another sign of how extreme the Wisconsin GOP primary for governor is getting, MyPillow CEO and election conspiracy theorist [Mike Lindell will attend](#) the Republican Party of Wisconsin's convention this week.

Lindell will be a guest in Tim Ramthun's hospitality suite. Ramthun is a fellow Big Lie enthusiast who's brought [even more extremism](#) to the already chaotic and crowded primary.

Running on a platform of [overturning Wisconsin's 2020 election results](#), Ramthun has shaken up the race with a flurry of far-right support.

**"He's going to win — 100%. It's not even going to be close,"** Lindell [said](#) of Ramthun. **"We're going to get rid of the [voting] machines."**

In addition to Lindell's endorsement, Ramthun was a guest on [Steve Bannon's podcast](#), and even Donald Trump called Ramthun last December to dangle his endorsement. Meanwhile, Ramthun's Republican opponents have been [scrambling to Mar-a-Lago](#) to [kiss up to Trump](#).

**"The Wisconsin GOP primary was already a complete mess dominated by out-of-touch candidates, but now the Republicans running for governor are going off the deep end,"** said DGA Senior Communications Advisor Christina Amestoy. **"Mike Lindell's involvement ensures this race will be dominated by extreme litmus tests as the candidates race to the far-right."**
