“I strongly urge Kevin Nicholson to run for Governor of Wisconsin. There are very few people that can shake things up in the state; Kevin is one of them. He’s an outsider who bravely served as a Marine commander and has built a career in business while also galvanizing conservatives throughout the state through No Better Friend Corp.”

“Kevin is a born leader. If he decides to run for Governor, he will have my full support and commitment to win the primary and general elections. I know he’s the fighter we need to get Wisconsin back on track.”
