This week, Democratic leaders and state parties across the country highlighted the historic progress that President Biden and Vice President Harris have delivered for the American people during their first year in office. Despite taking office amid several crises, the President and Vice President moved quickly to deliver results for working families by providing life-saving vaccines, leading an economic recovery that's added millions of jobs to the economy, and passing legislation to rebuild our crumbling infrastructure.

**Take a look at what voters across the country are reading about President Biden's and Vice President Harris' successes during their first year in office:**

- **In Minnesota:** Mankato Free Press: [Our View: Leadership: Biden had wins in his first year](#)
