The Special Counsel appointed by the Wisconsin Assembly to investigate the crimes of the 2020 Election did an outstanding job. He discovered many pieces of evidence that indicate foul play. Anyone calling themselves a Republican in Wisconsin should support the continued investigation in Wisconsin without interference. After all of the evidence the report brought to light, how could anyone want to stop it? I understand some RINOs have primary challengers in Wisconsin. I'm sure their primary opponents would get a huge bump in the polls if these RINOs interfere.
