(Berlin, WI) - Luke Dretske, alderman for the City of Berlin Ward 1 and Ward 7 and Green Lake County Supervisor for District 17, endorses former Lt. Governor Rebecca Kleefisch for Wisconsin Governor.

“Wisconsin has suffered enough under three and a half years of Governor Tony Evers. Inflation, crime, and gas are at record levels. Following the police encounter with Jacob Blake, rioters stormed Kenosha. Governor Tony Evers sat and watched as Kenosha burned while law enforcement pleaded for assistance. Wisconsin does not deserve a weak governor, like Tony Evers. The rule of law, parental rights, and American values are under attack by radicals on the left. It is time that we put a proven leader back in charge that will support law enforcement, give parents a choice for their children’s education, and lock up criminals. I am pleased to endorse a proven conservative and the next governor of Wisconsin Rebecca Kleefisch,” said Dretske.
