Green Bay, WI - Wisconsin's 8th District Representative Mike Gallagher issued the following statement after Ron Johnson announced his decision to seek re-election to the United States Senate:

"I am proud to support Ron Johnson's re-election to the United States Senate. He loves this country and will beat any of the far-Left candidates whose radical policies are out of touch with reality. I look forward to online pundits burning empty calories questioning Ron's electability while declaring him the victor yet again in November."
