

Greater Milwaukee Foundation: Showcase of ThriveOn King building cladding removal

Posted on Tuesday, Jun 28, 2022

WHAT: A showcase of the removal of the cladding / panels on the ThriveOn King building

WHEN: Thursday, June 30 from 10-10:20 a.m.

WHERE: 2153 N. Dr. Martin Luther King Jr. Drive at the corner of MLK and Garfield, street parking is available

WHO: *Available for interview (no formal program):*

- John R. Raymond, Sr., MD, President and CEO, MCW
- Greg Wesley, senior vice president of strategic alliances and business development at MCW and co-chair of ThriveOn Collaboration
- Ellen Gilligan, President and CEO, Greater Milwaukee Foundation
- Kevin Newell, Founder and CEO at Royal Capital and co-chair of ThriveOn Collaboration

WHY: Obtain assets - video and photography - of the start of construction work at ThriveOn King and to speak with leaders of the ThriveOn King Collaboration and community members

VISUALS: Removal of the building's cladding as construction commences
