WHITEWATER–May 17, 2022– The Discover Whitewater Series (DWS): Half Marathon, 5K, and W3 Fit Kid Shuffle is eager to announce that Whitewater Manufacturing will once again be featured as a title sponsor of this community event! Whitewater Manufacturing has been a long standing sponsor of the DWS since its inaugural race in 2013.

The DWS 10th anniversary race is scheduled for Sunday, September 18th, 2022. With growing support from local businesses, the DWS can continue to thrive as a premier athletic event for the City of Whitewater.

Whitewater Manufacturing is a fourth-generation, family-owned company. Their team works effortlessly to ensure complete, accurate, and instantaneous results for their customers. Whitewater Manufacturing's services include welding, assembly, engineering, turning & milling, inspection, supply chain management, and more. They value hard work and strive to satisfy Whitewater's needs with efficiency, which is what makes them such an excellent sponsor to the DWS.

Through this sponsorship, the DWS team is able to provide runners with incredible opportunities such as free childcare, age group awards, a post-race community celebration and more. The race course is even designed as a way to highlight Whitewater's best features, including locations like the Whitewater Manufacturing

plant.

“The DWS team is always so appreciative of Whitewater Manufacturing’s title sponsorship,” said GWC Chairman, Larry Kachel. “They have supported us for 10 years now and are always so wonderful to work with.”

As the DWS team continues to prepare for an unforgettable 10th anniversary race, it is so grateful to sponsors like Whitewater Manufacturing. With their help, this race is able to give back to the City of Whitewater by promoting local businesses and donating to its charity partners.
