Mosinee, WI - On May 19th Wisconsin Right to Life PAC announced that it has endorsed Brent Jacobson's candidacy for the 29th Wisconsin State Senate District.

In its endorsement, the pro-life group said: "We believe your election would greatly contribute to the building of a culture of life in your community and in our state."

Jacobson said, "I am honored to receive this endorsement. As a new father, I know how precious life is. Should the U.S. Supreme Court overturn Roe v. Wade, we need strong advocates in the Legislature to ensure that current laws are as strong as possible to protect the unborn. In

Madison, I will be a vigorous defender of the right to life each step of the way."

Jacobson was one of only five non-statewide candidates to be endorsed by Wisconsin Right to Life last week and is presently the only candidate in the 29th Senate race to receive the endorsement. Jacobson has also been endorsed by Governor Scott Walker, Governor Scott McCallum, Former State Representative Mary Williams, and 13 Marathon County Board Supervisors.
