Experienced leadership team helps position Jarchow as conservative's choice for AG

[Balsam Lake, Wis.] – Today, Adam Jarchow announced a campaign leadership team as he moves toward formalizing a bid for Attorney General. The advisory committee is comprised of grassroots activists, leaders in the conservative legal movement, and law enforcement, and they will lead efforts to position Adam for success.

“It’s time to restore leadership to the Attorney General’s office, and we’re building the team needed to win,” said Adam Jarchow. “For too long, Josh Kaul has politicized his office at the expense of hard-working families. I will fight crime and support our brave men and women in uniform, work to restore election integrity, and stop liberal politicians and bureaucrats from stripping away our freedoms.”

“Adam Jarchow is a trusted, reliable conservative with a record of fighting against big government,” said Campaign Chair Andrew Hitt. “This advisory committee is part of a growing movement of support behind Adam’s priorities of making our communities safer and putting families first once again.”
