[Balsam Lake, Wis.] – Today, Attorney General candidate Adam Jarchow blasted Josh Kaul for his willingness to use his official office to play blatant politics with an established Wisconsin law – and in the process, skirt his sworn duties to defend the laws of Wisconsin.

Jarchow made the following statement:

“Josh Kaul has once again politicized his office by refusing to enforce Wisconsin law. The Attorney General’s job is to uphold the law, not work to overturn it. This is simply another election year stunt to gin up the Democrats’ demoralized base. It won’t work. The rule of law will prevail.”
