[Balsam Lake, Wis.] – Adam Jarchow released the following statement on the Primary Election results for Attorney General:

“It’s time to unite behind District Attorney Eric Toney and ensure that he has the resources and support needed to fire Josh Kaul in November. Josh Kaul has failed Wisconsin: crime is out of control, our brave men and women in law enforcement are under attack, and our leaders in Madison don’t have the political fortitude to right the ship. But Eric Toney does, and he has my full support.

“I want to thank our campaign’s team of volunteers and dedicated supporters across Wisconsin. What began as a late-forming campaign in January turned into a freedom-fighting movement, and your commitment to our efforts will not be forgotten.”
