Statewide YR group backs Adam Jarchow in Wisconsin AG's race

[Balsam Lake, Wis.] – Today, the Wisconsin Young Republicans announced that its Board of Directors, representing membership across the state, voted unanimously to endorse Adam Jarchow for Attorney General.

The Wisconsin Young Republicans are the official charter of the Young Republican National Federation. The group consists of members aged 18-40 with the mission of promoting the GOP as the viable path forward to more individual freedom and a chance to pursue your American Dream right here in Wisconsin.

“I’m honored to be unanimously endorsed by the Wisconsin Young Republicans,” said Jarchow. “Young Wisconsinites from every walk of life want to ensure that they have an opportunity to pursue the American Dream. They want an Attorney General who’s going to keep their communities safe, support our law enforcement officers, and fight back against the unhinged bureaucrats in Madison and Washington D.C. who aim to control every aspect of our lives.”
