[Balsam Lake, Wis.] – Today, Adam Jarchow announced the endorsement of rock legend and freedom fighter Ted Nugent.

While many know Uncle Ted as an accomplished singer, song-writer, and guitarist, he's also been a steadfast voice for freedom and conservative family values. As a former NRA board member of 26 years and national spokesman for Hunter Nation, Nugent knows that Adam will fight for the 2nd Amendment and the rights of hunters across Wisconsin.

As a legislator, Jarchow was a staunch supporter of the 2nd Amendment and authored the “Right to Hunt” bill, protecting hunters from harassment in the field. Previously, Jarchow announced the endorsement of the Wisconsin Bear Hunters Association, standing out as the clear choice for hunters and 2nd Amendment supporters in Wisconsin.

“It’s an absolute honor to be endorsed by freedom fighter Ted Nugent,” said Jarchow. “I grew up listening to his music and I’ve been extremely impressed with his record of fighting for God, conservative family values, hunting, law and order, and our personal liberties. We need an Attorney General who will fight for the Wisconsin way of life and stop out-of-control government - and I’ll do just that.”
