OSHKOSH - U.S. Senator Ron Johnson (R-WI) and the National Republican Senatorial Committee (NRSC) jointly released a new ad today on Lieutenant Governor Barnes and the socialist Squad's dangerous crime policies.

"The socialist squad is leading the charge to defund our police," the ad states about the Squad. "No surprise crime is on the rise. Mandela Barnes would eagerly join their Squad. Barnes wanted to abolish ICE, open our borders to illegal immigrants, and release violent felons without bail. Mandela Barnes - dangerously liberal on crime."
