OSHKOSH – Senator Ron Johnson (R-WI) joined RNC Chairwoman Ronna McDaniel in a new episode of her podcast “Real America,” where they discussed his experience as a business owner in Wisconsin manufacturing, the impacts of rising inflation, and the importance of unifying our nation.

“I know that you are tenacious, I know when you tell the truth. I know you tell the truth when it doesn’t always benefit you politically,” Ronna McDaniel said to Sen. Johnson. “But you are an advocate for the people you serve, and you fight for them every single day. We are so lucky to have you in the Senate.”

“We need Democrats and Independents to join us to save this precious thing we call America,” said Sen. Johnson. “America is so rare and precious... we have to save it, and we’re the ones to do it. No, Democrats aren’t going to do it. The media’s not going to do it. We have to do it.”
