MILWAUKEE—The following is a statement from Daniel Bauman, spokesperson for Mayor Cavalier Johnson’s campaign:

“Today we are releasing the campaign’s first ad, “[Good Change](#),” which highlights Mayor Cavalier Johnson’s biography and agenda. The ad will air on Milwaukee broadcast television as well as online.

“Mayor Johnson is focused on making Milwaukee safer, spreading economic growth inclusively across the city, and ensuring city services continue to be provided. This campaign is not just about winning an election, it’s about ushering in a new era of prosperity and security that takes into account the basic needs of all Milwaukee residents, builds on our successes, and addresses our challenges.

“Every Milwaukeean deserves to live safely in our city, and every single one of our residents needs access to a family-supporting job. Electing Cavalier Johnson to continue to serve as Milwaukee’s mayor is the best path forward. We will leave no stone unturned as the campaign continues to reach voters over the air and on the ground over the next 10 weeks.”
