OSHKOSH – U.S. Senator Ron Johnson (R-WI) received the endorsement of former South Carolina Governor and U.S. Ambassador to the United Nations (UN) Nikki Haley Today.

“From serving as Governor of South Carolina to the U.S. Ambassador to the United Nations, Nikki Haley has shown herself to be a strong conservative leader,” said Senator Johnson. “Her principled leadership stands in stark contrast to the divisive policies of President Biden that have weakened America. I am grateful to have her on my side as we fight for freedom and Wisconsin’s U.S. Senate seat.”

“Ron Johnson is a rock solid conservative who won’t back down from a fight,” said Ambassador Haley. “Whether it’s the economy, national security, or punching back on COVID mandates, Ron is unafraid to call out the Left’s hypocrisy. We are lucky to have him in our corner and I can’t wait to see him reelected this November.”

Ambassador Haley served as Governor of South Carolina from 2011-2017 before serving as U.S. Ambassador to the UN from 2017-2019. Now, Ambassador Haley continues her service through her [Stand For America PAC](#), which she founded to support conservatives who stand up for the ideas the United States was founded on.
