OSHKOSH – The Johnson campaign released the following statement regarding the results from the new Marquette Law poll:

“This campaign has always been about truth versus lies and distortions. The contrast in this race is clear: Ron Johnson is talking about the issues voters care about around the state of Wisconsin while Lt. Gov. Barnes continues to lie and distract from his extreme record of supporting defunding the police, abolishing ICE, and reckless tax-and-spend policies that have driven us into a recession and made us less safe,” **said Ben Voelkel, Senior Advisor for the Ron Johnson campaign.**
