MILWAUKEE—The following is a statement from Daniel Bauman, spokesperson for Mayor Cavalier Johnson’s campaign:

“As seen in this most recent independent poll, Milwaukee voters continue to respond positively to Mayor Cavalier Johnson’s message, focused on making Milwaukee safer, spreading economic growth inclusively across the city, and ensuring city services continue to be provided.

“This campaign is not just about February 15 or April 5, it is about ushering in a new era of prosperity and security that takes into account the basic needs of all Milwaukee residents, building on our successes, and addressing our challenges.

“Every Milwaukeean deserves to live safely in our city, and every single one of our residents need access to family-supporting jobs. Electing Cavalier Johnson to continue to serve as Milwaukee’s mayor is the best path forward.”
