

Johnson, NRSC ad knocks Barnes over crime, inflation

Posted on Tuesday, Oct 25, 2022

U.S. Sen. Ron Johnson, R-Oshkosh, and the National Republican Senatorial Committee are up with a new TV ad that accuses Dem Mandela Barnes of supporting “all the policies causing you and your family so much pain.”

The spot opens with a message accusing Dems of defunding and dispiriting the police, leading to a crime wave, while President Biden “spent us into 40-year high inflation” and opened the border.

The narrator says Barnes will “rubber stamp their liberal agenda.

“Mandela Barnes sides with radical leftists, not with you.”
