U.S. Sen. Ron Johnson, R-Oshkosh, has launched a new TV ad saying he's tired of the anger and the division in this country.

The spot shows him raking leaves as he asks if viewers are tired of the division and anger.

Johnson says the country faces enormous challenges, and he promises to “do everything I can to help make things better” and to always tell the truth.

“What continues to give me hope are the kind and decent people I meet all over Wisconsin, people who love America and are willing to work hard to unify and heal it. Please join us,” Johnson says.
