MADISON, Wis. — Today, Kaul for Attorney General announced a bipartisan coalition of Wisconsin district attorneys has endorsed Attorney General Josh Kaul's campaign for re-election.

"Josh Kaul is doing a fantastic job as Attorney General," said **Buffalo County DA Tom Bilski**. "I'm happy to support him for re-election."

"It's critical that we re-elect AG Kaul this November. The focus of the power of the Attorney General's office needs to be on investigating and prosecuting serious crimes, not political grandstanding," said **Jefferson County District Attorney Monica Hall**. "We have to keep Wisconsin a place where my daughter will have the same opportunities I had, and it's clear Attorney General Josh Kaul shares that vision."

"I'm an Independent and I support candidates based on who I think is best for the job they're running for, not based on their partisan affiliation," said **Wood County District Attorney Craig Lambert**. "Josh Kaul is the person I trust as AG to fight crime, defend the rule of law, and protect democracy, and I'm proud to endorse him for re-election."

"While I endorsed Brad Schimel four years ago, Josh Kaul has earned the support of those of us who care deeply about public safety and the rule of law," said **Kenosha County District Attorney Michael Graveley**. "Attorney General Kaul is committed to getting justice for victims of crime and making communities safer, and he's been a strong and effective leader of the Wisconsin Department of

Justice.”

“Josh Kaul understands how to make communities safer and effectively fight crime,” said **La Crosse County District Attorney Tim Gruenke**. “AG Kaul has been a leading voice for common-sense gun-safety measures, helped make our schools safer, and stood up for survivors of sexual assault by strengthening Wisconsin’s response to that violent crime.”
