[Waukesha, WI] – Rebecca Kleefisch is announcing her support of local candidates ahead of the April 5, 2022 spring election. These candidates are in addition to the initial [endorsements](#) Kleefisch made earlier this month. Kleefisch has a strong history of supporting conservatives running for local offices.

“Wisconsiners are stepping up and fighting for their communities all around our state,” said Rebecca Kleefisch, candidate for governor. “Change needs to happen at every level of government. I am proud to support conservative leaders and grassroots activists fighting to take back their school boards, municipalities, and counties.”

Rebecca spent significant time during the last two years recruiting and training conservative candidates for elections up and down the ballot. Kleefisch has endorsed more than 100 candidates ahead of the April election.
