[Waukesha, WI] – Rebecca Kleefisch is announcing her support of local candidates ahead of the April 5, 2022 spring election. Kleefisch has a strong history of supporting conservatives running for local offices.

“Our fight to take back Wisconsin starts with concerned community members running for local office,” said Rebecca Kleefisch, candidate for governor. “If we want to truly impact change, we need to do it at every level of government. I’m proud to support these local conservative candidates who answered the call to serve their communities.”

Rebecca spent significant time during the last two years recruiting and training conservative candidates for elections up and down the ballot. See her list of endorsed candidates for spring elections below.
