[Waukesha, WI] – Iowa Governor Kim Reynolds, who [delivered the Republican response](#) to the State of the Union earlier this month, is endorsing Rebecca Kleefisch for Governor of Wisconsin. Reynolds has led a conservative revolution in Iowa, defying big government mandates, passing a flat tax, and expanding school choice. She knows Rebecca Kleefisch is the conservative reformer Wisconsin needs to get back on track.

“As Governor of Iowa, I know what it takes to implement bold conservative reforms and lead a state to prosperity. Rebecca is the exact type of leader Wisconsin needs to get back on track,” Governor Reynolds said in a statement. “Rebecca is a proven conservative reformer who will work tirelessly to improve the lives of those around her. That’s why I’m proud to endorse Rebecca for Governor and look forward to working alongside her to unleash the prosperity of our Midwestern states.”
