[Waukesha, Wis.] — Vice President Mike Pence announced his endorsement of Rebecca Kleefisch's campaign for Wisconsin governor on Wednesday, further demonstrating that Rebecca is the conservative choice for governor.

“Rebecca Kleefisch is the only candidate that will deliver a stronger and more prosperous Wisconsin, and I am proud to support her,” Vice President Mike Pence said. **“Rebecca has a proven conservative track record and will draw on her experience to give parents more control of their children’s education, grow the economy and get Wisconsin back to work, fight for traditional conservative values, and make Wisconsin streets safer. Conservatives across the Badger State can fight back against the radical left in Wisconsin and join me in supporting Rebecca Kleefisch for governor.”**

“Vice President Pence fought against the extreme Left to help America thrive. As a former governor, he knows what it takes to enact conservative reform at the state level,” Rebecca Kleefisch said. **“I’m honored to have Vice President Mike Pence’s endorsement as I run to make Wisconsin freer, safer, and more affordable, and I look forward to earning the support of every Wisconsinite on August 9th.”**

Rebecca Kleefisch's expansive network of leaders and groups who have endorsed her campaign keeps growing with this incredible endorsement. In addition to Vice President Mike Pence, those endorsing her campaign include Gov. Scott Walker, Gov. Kim Reynolds, Ambassador Nikki Haley, Sen. Ted Cruz, Wisconsin Right to Life, Wisconsin Family Action, Wisconsin Manufacturers & Commerce, the majority of Wisconsin sheriffs, the Milwaukee Police Association, the Kenosha Professional Police Association Board, the Wisconsin Fraternal Order of Police and the Wisconsin Firearm Owners Association.
