[Waukesha, WI] – Wisconsin Family Action PAC announced their endorsement of Rebecca Kleefisch for Governor on Wednesday.

“Rebecca Kleefisch doesn’t just talk; she backs up what she says with action. She’s someone who will fight for what is right and best for our citizens, always looking to build a Wisconsin where families will have every reason to stay, and families in other states will have every reason to move here. We issue this endorsement with confidence because we have seen proof of Rebecca’s conservative beliefs, of her character and her conviction under intense pressure. She’s ready to lead,” said Julaine Appling, WFA PAC Director.

“I am so honored to have the endorsement of Wisconsin Family Action in support of my run for Governor,” said Rebecca Kleefisch. “Families are the backbone of Wisconsin and as governor, I will protect our strong Wisconsin family values. I will stand up and protect life, support public safety, and ensure that government is limited. I’m excited to work with Wisconsin Family Action as we fight to take back Wisconsin.”
