

Lasry ad says Johnson ‘turned on working families again’

Posted on Tuesday, Mar 15, 2022

Dem U.S. Senate candidate Alex Lasry’s latest TV ad knocks U.S. Sen. Ron Johnson, R-Oshkosh, for turning “on working families again.”

Lasry’s campaign said it’s his third seven-figure buy of the campaign. It will run statewide on broadcast and cable TV and will be accompanied by a digital media buy.

The narrator says Johnson “said no to bringing new jobs to Wisconsin” and now supports “the Republican plan that phases out Social Security and Medicare and increases taxes on middle-class families.”

The narrator then says it’s “time for Democrat Alex Lasry.”

“Lasry says let’s get more money into working people’s pockets and cut their taxes,” the narrator says. “No wonder so many unions say Alex Lasry is the strongest Democrat to beat Ron Johnson.”
