Milwaukee - Today, former Dane County Sheriff Dave Mahoney endorsed Alex Lasry's campaign for U.S. Senate, citing his extensive public safety plan to make our communities safer.

"Alex's comprehensive public safety plan shows his commitment to making our communities safer, and that is exactly what we need in the U.S. Senate," **said Former Dane County Sheriff Dave Mahoney.** "We need bold leaders with real plans to address the ongoing violence in our communities, and Alex is the only candidate that has released detailed plans to do just that. We can't afford another six years of Ron Johnson standing in the way of making our communities safer—we must put a candidate forward that can win in November, and I believe that is Alex Lasry."

"I'm honored to have the endorsement of a forty-year law enforcement veteran like Sheriff Mahoney," **said Alex Lasry.** "Sheriff Mahoney and his colleagues have worked tirelessly on the front lines to make our communities safer, and it's time we repay that by ensuring that we are reenvisioning and properly funding public safety efforts across our state. That means providing funding to departments to put more officers on the streets, getting serious about investing in community-based crime prevention programs and treatment, banning assault weapons, and legalizing marijuana and expunging the records of those convicted for possession."

The Democratic Primary Election for the United States Senate will be held Tuesday, August 9th, 2022. For more information about Alex Lasry and his campaign, visit www.alexlasry.com.
